

AMATEUR LICENSE EXAM PREPARATION AND TESTING

To qualify for an amateur radio license, applicants must pass a written examination.

Morse code is no longer required for any class of license.

LICENSE STUDY BOOKS and other test preparation materials are available from the American Radio Relay League (ARRL), the national association for amateur radio;

<http://www.arrl.org> . They can also be obtained from the Gordon West Radio School;

<http://www.gordonwestradioschool.com>

ARRL VEC

Danny Bush, N4SDB...251-895-9836. n4sdb@aol.com

Tests are scheduled for the 3rd Thursday of every month and are held at:

Christ Anglican Church

3275 Halls Mill Road

Mobile, AL 36606

Test Times are 6:00 pm (Please contact Danny in advance)

If there is a scheduling conflict, tests can be given at any time with a 48 hour notice, just call to arrange a session.

Other websites with information on Amateur Radio and how to become licensed:

QRZ: The ham radio supersite – name/callsign/bio lookup; news, forums, swapmeet, DX, QSL info, software, books, equipment, practice tests. <http://www.qrz.com>

Courage HANDI-HAM System: Amateur Radio and Technology for people with disabilities provides tools for learning Amateur Radio and technical skills and earning a license. <http://www.handiham.org/>
